

JULY 13
2020

5th Annual SysMod Meeting @ ISMB

COMPUTATIONAL MODELING OF
BIOLOGICAL SYSTEMS

1-day meeting at the ISMB conference to bridge systems biology and bioinformatics to build comprehensive models of cells, tissue, and organisms from high-dimensional data.

AGENDA

Keynotes
Contributed talks
Lightning talks
Poster Session
Lunch
Dinner

DEADLINES

Abstracts • April 02
Early registration • June 11
